

# meet the TEACHER

## About Me

Hello! I'm Miss Lisa, Administrator & CEO of Ozaukee Child Care and Preschool (OCC). As a former student here, it is incredibly special to return in a leadership role and be part of the same community that helped shape me. I am also a proud mother of three, all of whom attended and graduated from OCC, which makes this work especially close to my heart. Building a strong sense of community among our staff and families is very important to me, and I strive to create a warm, welcoming environment where everyone feels connected and supported.

I am passionate about providing a nurturing and engaging space where every child can grow, learn, and thrive.

## Educational Experience

I graduated from Grafton High School and began my higher education in Business Management. I later earned my Administrator and Leadership Credentials in Early Childhood Education. I have also completed training in the Wisconsin Model Early Learning Standards (WMELS), Shaken Baby Syndrome prevention, CPR, and Child Abuse and Neglect.

## First Day at OCC

October 17, 2000
