About Me

My name is Alyssa, and I have been with OCC since 2014. I am married and live in Grafton with my husband, son, and daughter. During my time at OCC, I have held several roles, including Infant-Toddler Co-Lead, Ones Lead, and currently Toddler Twos Co-Lead. I enjoy working with younger children, and OCC has been a wonderful place for both my professional growth and my family.

Educational Experience

My educational background includes, Introduction to the Childcare Profession, Fundamentals of Infant and Toddler Care, as well as Skills, Strategies for the Childcare Teacher and WMELS!

I look forward to spending time with, as well as supporting your child as they continue to grow!
