About Me

Hello Families and Friends! My name is Miss Calli. From a young age, I always loved working with children and watching how they learn and grow. I have always looked up to teachers as I believe they are the foundation for everything. I knew that early childhood education was the place I should be as it brings me so much joy to see how each child develops into a better person. OCC has taught me so much about how to be a role model, teacher, and a support system for these children; that is why I love it so much. I really enjoy being a floater as I am able to form a bond with every child and watch how they grow and learn over their time here. Every single day is a new adventure and I couldn't imagine spending it any other way than with the staff and the families at OCC!

Educational Experience

I graduated from Cedarburg High School in 2025 and then went to Moraine Park Technical College for a semester, where I studied Early Childhood Education. My classes included:

- Introduction to the Child Care Profession
- Skills and Strategies for the Child Care Teacher
- Fundamentals of Infant and Toddler Care.

First Day at OCC
