

meet the TEACHER

About Me

My name is Ms. Cyndi. I have worked at OCC for 4 years. I am the co teacher in our Pre-K classroom. I love working at OCC because it gives me opportunity to make a difference in the children's daily lives. I chose early childhood education because I have always had the passion for working with young children and supporting their development. Overall, I enjoy bringing creativity to everything we do and helping lay the foundation for their future inspires me to continue growing in this field.

Educational Experience

My education experience includes:

- Children with Differing Abilities
- Health, Safety and Nutrition
- Guiding Children's Behavior
- CPR
