About Me

I love teaching 3K and could not be more grateful for the amazing, generous families. Working with 3K kids has a kind of magic that's hard to explain; but you feel it every day. It comes in pure excitement for everything, and watching their personalities bloom, their honesty and humor, but most of all I love being a part of some of their "firsts."

Educational Experience

I have an Associate Degree in Human Services and my Masters in Psychology. I received my state license in Early Childhood Education (EC1) and then took the Early Childhood 2 course (EC2) and transitioned into the Lead 3K teacher.
