TEACHER

About Me

Hello families! My name is Miss. Hannah. I chose to work in early childhood because I have a strong passion for helping young children grow, learn, all while feeling cared for and supported along their journey. Watching children reach milestones and learn new things, as well as continue to develop their own unique personalities is such a rewarding part of caring for your child!

I look forward to coming to OCC every morning, the environment here is always so bright and seeing all of the kiddos with their smiling faces, so excited to start off the day makes my heart so happy each and every morning!

Educational Experience

My educational background includes, Introduction to the Childcare Profession, Fundamentals of Infant and Toddler Care, as well as Skills & Strategies for the Childcare Teacher!

I look forward to spending time with, as well as supporting your child as they continue to grow!

First Day at OCC

December 29, 2025
