

Meet the
TEACHER

About Me

Hello my name is Jordan Oesterreich! I live in Port Washington with my husband and dog. I have wanted to work with kids in the education field ever since kindergarten. I love working with children and getting to watch them learn and grow. I love the community at OCC. Our staff and families are supportive, kind, and gracious.

Educational Experience

I graduated cum laude from the University of Wisconsin–Milwaukee in 2018 with a Bachelor's degree in Middle Childhood–Early Adolescence Education, and minors in Reading and Science. I began my teaching career in my hometown in Illinois, teaching middle school Science and Social Studies for one year. I then spent four years teaching in Milwaukee, where I taught middle school Reading for two years and 3rd-grade Math for two years.

First Day at OCC

February 12th, 2024
