About Me

Hello families! My name is Miss Rhiannon and I'm so happy to be part of the OCC family. I've always wanted to work with kids and knew I wanted to be a teacher, so early childhood has been the perfect fit for me. I love coming in each day and seeing all the children's bright, smiling faces—it's the best way to start my day.

I work in the baby room and have been at OCC for almost four years (four years this August!). I really enjoy watching the children grow and learn, and seeing their personalities begin to shine.

Outside of work, I love spending time with my family. I have three teenage children who keep life

busy and full, and being a parent makes what I do even more meaningful to me.

I really love what I do and feel so lucky to be part of such a wonderful community at OCC

Educational Experience
