About Me

Hello! My name is Ms. Tamrah and I have been working at Ozaukee Child care and Preschool for 8 years.

My greatest passion is caring and teaching for children. As I get to know your child, I will teach and care for them with individual needs in mind. No child is the same or learns at the same pace as others.

Being 4 is hard and can be an emotional ride, dealing with big feelings. We will work on different tactics to help deal with these big feelings like breathing exercises that will feel like a game to your child. We make everything fun in this classroom.
